

Falcon Eyes Double Suction Cup SUP-02 (Product code: CFT-0290)**Price: 0 €****Description:**

The Falcon Eyes SUP-02 Double Suction Cup enables you to mount and hang accessories weighing up to 35kgs, to any flat surface such as windows, tables or boards.

The SUP-02 is equipped with a 3/8" male thread, which is positioned between the two suction caps. This section can be rotated 360° and fastened in the position you wish to use it. Purchasing a spigot adapter can broaden the SUP-02. Such an adapter can be found in the optional accessories tab below and will allow you to mount a speedlite or lamp on the SUP-02.
