

Pixel Battery Grip E7 for Canon 7D (Product code: UBZ-7769)**Price: 0 €****Description:**

The Pixel Battery Grip E7 extends the battery life of your camera by giving you the option of inserting 1 or 2 LP-E6 batteries or 6 AA batteries. The battery grip also makes it easier to shoot photos vertically through the inclusion of an extra shutter button, AE/FE lock button and AF point selector on the handle. Additionally, the battery grip contains a tripod connection with a 1/4" female thread.
Suitable for Canon 7D
