

**Matin Camouflage Cover for Digital SLR Camera M-7099 (Product code: SKZ-6413)****Price: 88.99 €****Description:**

Condition: As good as new.

The Matin M-7099 Deluxe Camouflaged Camera Rain Cover is equipped with a transparent window allowing the viewfinder and LCD screen to be visible when the camera is fitted with the waterproof cover. On the left and right side of the cover are two holes, which act as 'sleeves' for your arms. These sleeves are elasticised at the end ensure a tight fit around your arms and thus prevent water and dust etc. from reaching the camera.

**Features Matin Cover M-7099**

The Matin M-7099 is suitable for all SLR cameras, with or without a battery grip. The rain cover has a built in hood, which can be unrolled when needed and rolled back when it's not needed. The Matin M-7099 is compatible with all cameras with a lens up to 100mm long. The M-7099 is a camouflaged colour, making it essential for those wishing to use their camera in the bush.
